

PHNOM PENH EXPRESS

Race & Raise Funds

PSE Covid Relief Challenge

I want to share with you an exciting challenge I'm taking up with American Friends of PSE (Pour un Sourire d'Enfant) to support their Covid emergency food program in Cambodia. I'm participating in their **PHNOM PENH EXPRESS** challenge, a virtual & fun trek around Cambodia.

The goal is to raise funds while traveling a combined total of 1,758 miles all together.

Every week, we'll add the distances covered by all racers, and collect donations from our sponsors to provide much-needed food to families still facing the Covid crisis.

Our objective is to raise \$5,000 to support 200 families.

Will you join me on our journey?

I would really appreciate your support. No amount is too small and every dollar goes directly to the children!
